N.B.: This table is a schedule of all Information Technology Trades Department courses that have final examinations during the 2024 Spring Semester. All other Information Technology Trades Department Courses in this Semester that are not included in this table require practicums, projects, papers, or certifications as their final assessment. This schedule also indicates the date, time, location, and other details regarding each section's final examination logistics - students are reminded to take notice of these and to be in place with the necessary resources as scheduled. For final examination specifics, all are encouraged to view BVI's Academic Policy on Final Examinations. BVI's Office of Examinations & Testing Services (OETS) should be contacted regarding any concerns or queries at [examoffice@bvi.edu.bs](mailto:examoffice@bvi.edu.bs) or via telephone at 502-636730.
